At the Trimby Cathedral, Shanghai, on the 19th December, by the Roy Ven. Archdeacon Moule, B.D., JAMES JOSEPH JACKMAN, of I.C. NOVY, to HELEN BLANCH LAURA MAUD LENOX, of Glasgow,

Hongkong, December 24th, 1892.

The Hongkong Benevolent Society, now in the fourth year of its existence, is able to place a good record before its subscribers and the public. A reference to the details of the Compania Transationties will from the begineases dealt with during the year shows that while liberal and timely assistance has been afforded in deserving cases wise care has been taken, in the words of the report, to the Society is exposed of multiplying applifound undeserving relief is withheld, or withdrawn. We are told, for instance, of 110-30 E. Both ber fore and main topmasts a man who represented himself as destitute. and who, out of pure compassion, was sent for a few days to the Soldiers' and Sailors' Institute. On further enquiry it was found he had been here four months living on one work on board ship. In another case was quite destitute; he had promise of: employment on board ship, but wanted food himself utterly worthless and having been

This man and the one mentioned in the preis worse than throwing it away, but the men pay the show a visit. have always a plausible tale to tell, and it is impossible for individuals adequately to test the truth of their statements. To give them fifty cents or a dollar relieves the donor from their importunity, secures a cessation of the interruption to business their talk causes, last year's earnings and amounts to about and perhaps leaves a pleasant sensation of having done a good action. If all such cases were referred to the Benevolent Society. however, much more good would be done as The host Mild Aperient for Delicate Constitutions, Ladies, Children, and Infants, and for regular regards any that may prove deserving, and in the undeserving cases the danger of suc-

Paris continues to marvel at hypnotic myspoliteness. The Duo never produced this de- effected so complete on "exteriorization" of the spatch. Why? The hour for the inavitable human body as to transfer a woman's sensibility a resolution was passed in favour of Protection, collision had struck; and Germany and France into a tumbler of water. The tumbler was then and arging the Government to support bimetalappealed to the sword to decide which of the taken out of the subject's sight, when she started lism at the Brussels Conference. as if in pain if the water was touche! and THE INDIAN PLANTERS AND THE CURBENCY Colonel Dodds will in due course finish up swooned if it was d unk. The water is said to with the King of Dahomey, when the troops he have retained its sensibility for a considerable r quires to attack Abomey arrive. The expedi- time. A wonderful discovery made by Col. tion was undermanned, and the nature of the Roche was also confirmed, the sensibility of a resistance unsuspected. The Dahomeyans fight hypnotized subject being transferred to a photolike rats for their lives and their holes, or graphic negative of the same person, when any houses. The French have lost terribly in injury to the picture was felt, a pin-scratch officers. Pity me war e rrespondent will be across the hand of the plate causing the subject to Currency Association is not for the advan-

Naturalists have recently proven that, under middlemen, and salaried employes. The Governsocialism. The socialists are apparently lying certain conditions about the time of moulting, ment of India was prejudiced ab initio owing to by, playing a waiting game, so as not to have the horned toad (Phrynosorna coronatum) ejects its being composed of these officials and owing the reputation of being the wing of the anar- from the eye a small quantity of blood. One to its balance sheet being seriously affected by chists. Then of late, the snap test has been observer angered one of the toads, when blood low exchange. Government efficials and their Two years' old Malwa ... \$530 at to 4 vigorously applied, that of compelling the spous parted from just above the eye to a distance of supporters were not so closely in touch with the Old (3 to 4 years') Malwa \$540 1 to 3 ters about humanity's errors and wants to state a foot, and the creature fell exhausted. After lower classes of Natives nor as competent to artheir remedies. On the other hand the public live or ten minutes; renewed irritation caused a rive at true opinions affecting the trade of the still continues to avoid putting mency into second spurting, but no further repetition of the country as the Planters' Association.

Irake Tohad and the protecting of Dahomey black water. It is about a quarter of a mile because any gain obtained by reducing the long and half as wide, and is fed by numerous home charges and the interest on gold debt perfect care of . Wante de Mun; that of the little streams-come bot, some warm, and one or would be more than counterbalanced by the loss scented caper, 22,218 lbs. scented orange pekoe, two old-whose waters are strongly charged inflicted on the trade and revenue of India; that with different acid and alkaline salts. The water the gain would be illegitimate and injurious as salk, 6 cases silk piece goods, and 170 bales The Vatican as to how to augment their profits, of the lake feels smooth and oily, and its taste is benefiting only a small class at the expense of tobacco. For Italy-105 bales raw silk. salt and bitter. Its temperature ranges from producers who form the mass of the country. 110 degs. near the shore to 156 degs. on the The Association is the most influential in this surface at the centre and 216 degs. at a depth of Presidency. 250 feet. Though the water is jet black, it does not stain the skin of bathers, but the minute solid particles it holds in suspension adhers to and colour the fibres of white cloth. The lakea bath in which is wonderfully exhibitaring—bas The Poiho may be said to be frozen. At long been famed among the Indians as a place of cure for all forms of disease.

A newly opened coal-mine near Manchester, Eng., lies at the great depth of about 1,000 an extent that the steamer Tungchow had yards, and the boring presents the curious difficulty in getting down to Taku. At phenomenon of passing down from one seam of itself ice 31 in thick bridges the river, and unless coal to another one 500 yards geologically higher.

This is due to a reversed fault, by which the seams are thrown into this remarkable relative the coal wharf at Tongku will be closed for the position. At the bottom of the mine the temwinter. A gale from N. and neap tides com- perature is 84". Fahr., which is anexpectedly low, than at the surface.

Astrange story comes from Austria. It reing for water to get out. The last steamer laxes that a chemist has devised a new soporific inwards, the Chungking, is outside the bar, un of such rapidity and power that a few drops sprinkled on the face and hands effectually stupefies a man in a few seconds The Austrian Government has not only refused to purchase providence of wind with dust, is very fine, and | the secret for use in war, but has ordered the inthere is no sickness of any kind. But cold dis. ventor to abstain from using it or communicating it to others.

A hald-head may become a certificate of good character. It has been noticed that among which has been enterprised this season on an iseveral hundred males imprisoned for law-breaking only a small percentage—less than ten per cent -are bald headed, and the proportion seems to be smallest among those whose crimes are most serious."

A German physiologist claims to have proven quite conclusively that the germs of consumption may be and have been conveyed from one person We are informed that Mr. Nicholas Roderick to another by the much-offending bod-bug.

Recent catalogues show that entomologists have found 363 species of spiders, in the Upper

-1.000KING-STOVE. TERMS OF SALE-As customary. J. M. ARMSTRONG, Auctioneer. Honekong, 21st December, 1892.

TOBACCO ESTATE FOR SALE. TOR SALE, with immediate possession, the

P- ESTATE on the "Sugur" RIVER within 5 hours' steam of Sandakaa, the Proparty of the "Borneo Tabak Mantschappy" in 10.00 A M. Registry coases. Liquidation. The Estate has been surveyed 10.30 A.M. - Posting of newsphere a books, and. and is one of the best in Borneo. It covers an area of 50,000 nores, and was opened in 1888. and worked during the two following years, when a large sum of money was spent on Roads, Drains, Bungalows, and other Buildings required on a Tobacco Estate, and those could be repaired and made fit for use again at a small cost. The 1891 crop of Tobacco from a neighbouring Estate was recently sold in Amsterdam for 115 Guilder Cents per half kilo, while other Lots have recently realized 147, 163, and 165 Guilder Cents per half kilo. Good Chinese labour is now cheap and abundant in B.N.B. The Vendors will take a very Law Price. For particulars, price, &c., apply to the Liqui-

H. HUGHES & CO., Accountants and Commission Agents. Sandakan, British North Borneo. THE MIIKE COAL MINING COMPANY.

THE MIIKE COAL is a Bituminous Coal of dark reddish colour. For Steam purposes, it has been pronounced to be THE DEST AND THE MOST ECONOMICAL OF ALL THE JA-PANESE COALS. Its export is increasing yearly, and the opinions

expressed by several of THE LARGEST REGULAR CONSUMERS are in testim nv of the EXCELLENT QUALITIES OF THE COAL. Attention is called to the following ADVIN TAGES to Shipowners and Captains who Con their Bunkers direct from the Undersigned :-Fre hoess of the Coal. Uniformity of quality.

Freedom from impurities. Supply in any quantity on shortest notice. Quick despatch. Best of weight, etc., etc. MITSUL BUSSAN KAISHIA. Sole Agents,
